An advertisement for the Prusa Core One+ 3D printer. The top half features the product name 'PRUSA CORE ONE+' in large, bold letters, with 'CORE' in orange and 'ONE' in white. Below it is the 'indx by BONDTECH' logo. To the right of the logo, the text 'FAST TOOL CHANGES OF UP TO 8 COLORS!' is displayed. The bottom half of the ad has a pink background with a white box containing the word 'VOUCHER' and a pink box containing '\$100 OFF INDX UPGRADE'. On the right side, there is a detailed image of the 3D printer, which is black with orange accents and has eight spools of filament in various colors (red, blue, green, yellow, etc.) mounted on its side. A small inset image shows a close-up of the printer's internal mechanism.
